St. Wilfrid's Hospice Coastal Yacht Challenge

Saturday 18 September 2010

Sponsorship Form

Boat Name ..... Skipper ..... Crew Member ..... Club .....

This event is a sponsored yacht challenge from Chichester Bar around the NAB Tower and back (12 nautical miles), designed to raise funds for ST WILFRID'S HOSPICE.
This is a charity challenge with a difference. The skipper of the boat you are being asked to support has already made a significant contribution to the charity in the form of an entry fee. You can add to this by pledging a fixed sum (however small), which will help your chosen skipper's chances of success in the challenge. He will add up all the pledges he and his crew receive and make an overall pledge of the total to the organisers on the day before the event. The Race Officer will then multiply the sailing points the skipper achieves on the day by the amount he has pledged, to give an overall points score. The more you contribute the better the chances of your skipper winning the challenge!
The Racing Officer reserves the right to shorten or cancel the challenge in the event of dangerous weather conditions. Should this happen we hope you will still honour your pledge.
