

# St. Wilfrid's Hospice Coastal Yacht Challenge

**Saturday 18 September 2010**

Thank you for your interest in the St. Wilfrid's Coastal Challenge

The event is designed, primarily, to raise funds for the hospice and in the course of doing so to have an enjoyable and safe day on the water. While there is the opportunity to compete against others and points are awarded according to finishing position, the event is not seen as a test of sailing ability. The finishing points are multiplied by the amount of money raised and trophies are awarded to those with the highest adjusted points.

There are plenty of serious racing events in the area, catering for all sailing abilities. If however you would like to put something back into the local community and have a fun weekend while doing it then WELCOME ABOARD

This year's event will take place on Saturday 18 September and we are enclosing an entry pack, Notice of Race, Disclaimer Notice and Entry Form. The entry fee has been held at £20 and the completed entry form together with the fee (cheques should be made payable to 'St Wilfrid's Hospice') should be sent to Patrick Doyle, Macros, Longlands Rd., East Wittering. PO20 8DD - 01243 673442.

Technical queries should be addressed to Mark Taylor 07788 145799.

You can raise money on-line by going to <http://www.justgiving.com/stwilfrids/>. It takes the hassle out of collecting the money. Better still, combine this with the normal sponsorship form to boost your chances of winning.

Past users have said that they have received donations from anonymous donors, who just like the idea of the event but have no connection with either the hospice or sailing.

If you need help setting up a page, contact Patrick 01243 673442(H) 07801 819884(M).

## GET FUNDRAISING

The website [www.innshorecruisingclub.co.uk/](http://www.innshorecruisingclub.co.uk/) has copies of all forms and will be a source of up to date information on the Coastal Challenge
